Hear about how...

- Mata's hearing had almost disappeared due to a congenital abnormality. But then a doctor told him about Christian Science and Mary Baker Eddy.
- Mata read Eddy's book, "Science and Health with Key to the Scriptures" and prayed, and his hearing was fully restored.
- Practical ways the Bible can solve today's problems.
- Our world's true desire is for safety, justice, freedom, and peace (not hatred and fear).
- Experiencing the goodness of the Kingdom of Heaven is possible now.

Escuche acerca de cómo...

- La audición de Mata casi había desaparecido debido a una anomalía congénita. Pero luego un médico le habló sobre Christian Science y Mary Baker Eddy.
- Cuando Mata leyó el libro de Eddy, "Ciencia y Salud con Llave de las Escrituras," y mientras oraba, su audición se restauró por completo.
- Maneras prácticas en que la Biblia puede resolver los problemas de hoy.
- El verdadero deseo de nuestro mundo es la seguridad, la justicia, la libertad y la paz (no el odio y el miedo).
- Experimentar la bondad del Reino de los Cielos es posible ahora.
