

Love

without

limit,

Life

without

fear

Come explore the power of prayer and how it strengthens hope, faith, and healing in our lives.

Discover: the relationship between prayer and healing and the universal truth that unifies

When: Saturday, February 9, 2019 at 11:00 A.M.

Where: United Way Community Center, Houston, TX

Fujiko Signs

Fujiko Signs is a practitioner and teacher of Christian Science healing.

Around the world people are looking for prayer that brings healing and peace to their lives.

International speaker Fujiko Signs says, in my own experience an understanding of God brings healing and goodness into my life.

During this lecture we will explore the relationship between prayer and healing and the universal truth that unifies.

We will talk about how to understand God and how spirituality and childlikeness relate.
