

A NEW VIEW OF GOD AND ITS EFFECT ON WELL-BEING

A free lecture by
Phillip Hockley, C.S.

Sat., April 6, 2019, 11 AM
**United Way
Community Center**
50 Waugh Dr., Houston 77007

Jesus promised us healing - come learn how!

Hockley, after being an active sportsman, was diagnosed with chronic fatigue syndrome and irritable bowel syndrome. Hearing about God's goodness at a Christian Science lecture brought healing DURING the lecture. As he describes it in his own words, "I had gone to the lecture with no expectations, but I left with no limitations."

Phillip Hockley will share about

- A new view of **God as Love itself** with powerful, transforming effects
- God as the **solution** to any kind of trouble
- **Freedom** from whatever is painful, debilitating, or limiting
