

Breaking News: Freedom is Ours Now

Join us for a free talk with Patricia Woodard, CS

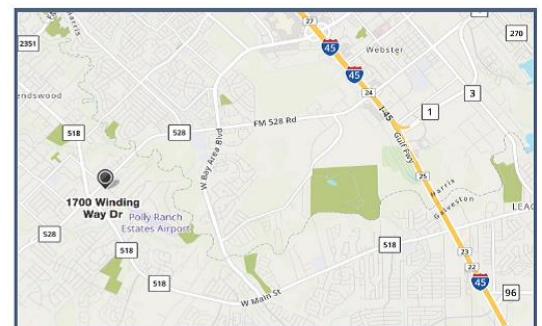

Christ Jesus, not only taught the word of God, but he demonstrated man's right to health and peace. Patricia Woodard will explore how, "God derived freedom is inherently ours now, releasing us from fears and pain in our lives and causing us to soar!" Using the Christian Science textbook, *Science and Health with Key to the Scriptures*, written by Mary Baker Eddy, Patricia will examine how the uplifting promises of the Bible along with the healing power of the Christ are still ours today.
